**AMENDMENT ON APPEAL**

Commissioner for Patents  
Washington, D.C. 20231

Madam:

Pursuant to this morning's phone call with the examiner, applicants respectfully ask that pending dependent claims 65 and 72 be cancelled to conform to the earlier cancellation of independent claim 19, from they depend. This amendment does not introduce new matter and is submitted to be proper in that it merely reduces the issues on appeal.

Respectfully submitted,

Brobeck, Phleger & Harrison LLP
